

Swiss Cytometry Meeting 2027 - Program At Glance (not definitive)

**just to give an idea of the structure of the meeting, topics and session are not fixed and are subject to change*

DAY 1 - Wednesday 10 February 2027	
<i>Time</i>	<i>General topic / Activity</i>
9.30 - 10.45	Registration and coffee (no commercial exhibition)
10.45 - 12.40	Opening notes Plenary session - Research breakthrough sessions
12.40 - 14.00	Lunch and Commercial exhibition opening
14.00 - 16.00	Keynote lecture by Adrian Liston Scientific Talks & Presentations
16.00 - 16.30	Coffee Break and Commercial exhibition
16.30 - 18.15	<i>Scientific tutorial workshop (parallel sessions)</i> Scientific Talks & Presentations (parallel sessions)
18.15 - 19.30	Poster session (with apero) and Commercial exhibition

DAY 2 - Thursday 11 February 2027	
<i>Time</i>	<i>General topic / Activity</i>
09.00 - 12.30	Plenary session - Career in Flow Scientific Talks & Presentations - Clinical Breakthrough Coffee Break and Commercial exhibition
12.30 - 14.00	Scientific Talks & Presentations (parallel sessions with Swiss Cytometry Society) Lunch and Commercial exhibition opening
14.00 - 16.45	Shared resources Laboratories session, in parallel with Flow in pharma session Major sponsors talk session Coffee Break and Commercial exhibition
16.45 - 18.30	<i>Scientific tutorial workshop (parallel sessions)</i> Technology and innovation session (parallel sessions with Swiss Cytometry Society)
18.30 - 19.00	Commercial exhibition
19.00 - night	Conference dinner social event

DAY3 - Friday 12 February 2027	
<i>Time</i>	<i>General topic / Activity</i>
9.30 - 10.45	Going small with the flow session
10.45 - 11.15	Coffee Break and Commercial exhibition Early-carrer presentations
11.15 - 13.00	Closing lecture by Peter O'Toole Prices, wrap-up and closing remarks
